MEMORANDUM FOR: Director of Security

SUBJECT : Secure Document Protection

Oz:

As the move in which OPPB is involved progresses, I am becoming increasingly uneasy about our ability to conform to the requirements of regulations with respect to the protection of codeword material. Before final space alterations are completed I should like an opportunity to discuss the problem with your staff, and determine whether or not adequate precautions have been taken to meet our on-going requirements.

John M. Clarke  
Director of Planning,  
Programming, and Budgeting
